F -block _____
G-block _____

Signature of Homeroom Teacher

PLEASE NOTE: The LigerBots are aware that this field trip is during the blackout period due to the end of the semester. The competition dates are determined by FIRST Robotics and are not under our control. Fortunately this competition will be happening over the weekend (both Saturday & Sunday) so students will not miss any classes. However this will take the entire weekend, including Friday night, to participate in the competition so we are asking for some leniency when possible for participating students to turn in assignments. If there are any questions or concerns please contact us at headcoach@ligerbots.org
